BACKGROUND INFORMATION

DATE OF BIRTH:

23rd JUNE 1997

SEX:

MALE

NATIONALITY:

KENYAN

LANGUAGES:

ENGLISH AND SWAHILI

RELIGION:

CHRISTIAN

CAREER OBJECTIVES

I am a resourceful and highly motivated individual that is keen on gaining important practical experience, skills and knowledge as I work towards realizing my potential and enhancing my career development. I am willing to take up internships to better my work experience in the field of Information Technology (I.T.) where I have mainly specialized in database and website creation and maintenance under both Windows and Linux Operating Systems.

PROFESSIONAL WORK EXPERIENCE

MAY 2018 - JULY 2018: ATTACHMENT AT THE INLAND CONTAINER DEPOT / KENYA PORTS AUTHORITY NAIROBI (ICD/KPA)

Duties:

- Assisting faculties and departments in organizing their own I.T. support and services (attending to the KPA employees that encountered hardware or software problems).
- Providing user training on relevant software packages or new I.T. resources.
- Servicing and maintenance of I.T. equipment.
- Daily crimping, terminating and testing of RJ45 Ethernet cables.
- Learning about the installation of Microsoft Office Suite, Kwatos/Catos, Oracle 10g and SAP GUI, which are the 4 main software packages used at KPA.
- Installing and sharing network printers.
- Configuring brand new computers that were brought to the company including installation of Windows 10 Operating System, connecting them to the KPA domain and creating user accounts such as Administrator.
- Setting up Internet Protocol phones (I.P. Phones), which included connecting the phone to the KPA domain, assigning them an Internet Protocol Address then giving them the name of the person that was to use the phone.
- Participate in regulars meetings held by the supervisors in the server room.
- Stock taking of all the computers in use by the KPA employees.
